ABOUT THE INSTRUCTOR:

Sherri Leigh Iwaschuk, RMT, KMI, graduated from the West Coast College of Massage Therapy in 1995, KMI Structural Integration in 2007, and enjoys a vibrant practice in the False Creek area of Vancouver, BC.

She has been a long-time student of yoga and a competitive athlete in triathlon, road and mountain bike racing in British Columbia.

In 2008 Sherri began her training as a teacher for Kinesis as a natural progression of her practice and is certified to teach both manual and movement Anatomy Trains classes. Seeing the profound effects of working with fascia continues to inspire her, and she is eager to share that experience with participants in Anatomy Trains courses.

As a former professional drummer, she equates learning about the body with learning to play music: – a rich journey without end.
